- **Experience of being abroad**

During my stay in Switzerland, almost all weekend was a fun filled experience but the best among them all was when some friends and i went to the waterfall in schaffhausen. It was a very nice experience for me because that was my first time seeing a waterfall as big as that.

- **Experience at work**

Unlike in my country where people are required to resume work at a specific time and close at a specific time but here in Switzerland was a totally different encounter for me because you allowed to resume at a time convenient for you as long as you meet up with the required working hours which is a good thing because it helps reduces stress in a way

- **Cultural differences / shock**

One thing I would surely miss about my stay in Switzerland is the weather condition. Really enjoyed the fact that everywhere was so cold compared to my country.

- **IAESTE**

Apart from the privilege of getting to do your internship abroad, one thing I really love about iaeste is that it's promotes cultural relationship. In conclusion, this internship did not only bring about academic enhancement but also cultural n social interaction between people from different parts of the world and am glad that I had the oppurnity to experience ot
