

Guideline Questions for Personal Traineeship Report

- Pick one question out of each topic!
- Explain your answer with a few sentences or a short story!

1. Experience of being abroad (all by yourself...)

- What was your most impressive / meaningful / touching experience?
I would say that my most touching experience was when i experienced terrible pain from my growing wisdom tooth and everyone that i worked with was so caring and helpful. A particular colleague, Marlen, helped me out throughout the whole process setting the dentist appoints and always checking to make sure i was fine.

2. Experience at work

- Did you notice any differences regarding the way work is done in Switzerland compared to your home country?
No not really, it was basically the same but here in switzerland i noticed people come really early to work and take a lot of coffee

3. Cultural differences / shock

- What was the most difficult thing to get used to?
The most difficult thing for me was the bus and train timetable, knowing where to get on and off

4. IAESTE

- What were the advantages of doing an internship through our exchange organization?
This internship has been a starting point in my journey as a computer scientist. i learnt a whole lot in 3 months than i have in longer times at home.

Also, i got to see places and do things that i may only have dreamed of before

IAESTE
SWITZERLAND

If you have any pictures, we would appreciate if you added them to the report.
Thanks!

This was Innsbruck Austria. Ps.I lost my phone during this trip along with all my other pictures luckily the other iaeste trainee i went with had this one.
